IRMG Group Adds to their List of Services

DOYLESTOWN, Pa.--(BUSINESS WIRE)--April 14, 2005--International Risk Management Group is pleased to announce that as they enter into their 10th year of service they are continuing to grow and add capabilities in their expertise and technology.

"The opportunity to expand our expertise broadens our abilities as a leading provider" says Robert Carney, CEO. "The aim of IRMG is to increase our global capabilities for our clients' constant changing needs in the industries in which they operate. In addition, technology allows us to advance into new ways that are virtually paperless. We are truly committed to being the best provider of administration solutions and highly value our professional relationships."

"Over the past ten years the insurance industry has decided the need to focus on business and let the operations of claims administration be outsourced" says Stephanie Carney, President. "We are a provider of service with an impact. As we maintain and establish our partnerships, we assure our clients that we are not only convenient and responsive but administrate customized solutions."

International Risk Management Group (IRMG) is a leading provider of Claims Administration Solutions. Located in Doylestown, Pennsylvania, IRMG takes a consulting approach with a focus on personal attention.
